The screenshot shows a web form titled "Options/Activities" with a blue header bar. On the right side of the header is a button labeled "Add Options/Activities" with a downward arrow. Below the header is a table with two columns: "Option/Activity" and "Schedule". The table currently contains one row with the text "Not registered for any Options/Activities". A dropdown menu is open on the right side of the table, displaying a list of roles: "Adult Helper-BusMonitor TourGuide oncall Judge etc", "Bus/Van Parking", "Conference Assistant/Courtesy Corps", "Dance Chaperone", "New Advisor", "State Officer", "State Officer Candidate", "Trading Pins", "T-Shirts", and "Voting Delegate".

Conference Assistant/Courtesy Corps

If you have a student interested in helping at conference, please select under options so we can assign them a role. We can use them as patients, runners, etc. for competitive events and headquarters.

This screenshot is similar to the one above, showing the "Options/Activities" form. The dropdown menu is open, and the option "Conference Assistant/Courtesy Corps" is highlighted with a grey background. The other options in the menu are "Adult Helper-BusMonitor TourGuide oncall Judge etc", "Bus/Van Parking", "Dance Chaperone", "New Advisor", "State Officer", and "State Officer Candidate".
