Optional free time group activities:

### HOUSTON SCAVENGER HUNT

With this self-guided 2-hour scavenger race, you and your group will run around Houston, solving clues. There is no official start time to the race. Begin when you want. Simply click on the launch code and head to the starting line. During the hunt, hear stories about Houston's historical sites and learn about the city's hidden gems.

- Explore Houston through a fun interactive game
- This works well for groups or for team building
- There is a moderate amount of walking involved
- You choose the date and time you want to start

**\$12.00 per person**  
(additional to package price)

**2-3H approx**

### NASA Space Center

Perfect for history buffs, space lovers, and would-be astronauts, this personalized tour of the Space Center Houston brings the magic of the cosmos to life. In the morning, meet your guide at your hotel and travel in the comfort of an air-conditioned vehicle. Tickets are included in the cost, so you'll head right in. See real-life spacecraft, touch moon rocks, explore the Mission Control Center, visit the astronaut training facility, and more. Round-trip transit via air-conditioned vehicle makes logistics seamless. Your guide, a NASA expert, will help bring the sights and history to life. See spacecraft, astronaut training facilities and the Mission Control Center. This tour is perfect for space geeks and would-be astronauts of all ages.

**\$90.26 per person**  
(additional to package price)

**6H approx**

### iFLY HOUSTON

Go skydiving indoors without the scary experience of jumping out of an airplane. Book your experience ahead of time at the iFLY Houston Memorial, where you'll have your turn in a vertical wind tunnel. With the help and directions of an instructor, experience free-fall conditions in the tunnel and walk away with a personalized certificate commemorating your flight. A prepaid ticket means you have your pick of days and times to suit your vacation schedule.

- Indoor skydiving experience at iFLY Houston Memorial
- Participate in a small-group training session with an accredited instructor
- Enjoy two 60 seconds of 'free-fall' flight time inside the wind tunnel
- Receive a personalized flight certificate to take home

**\$75.72 per person + \$8.00 transportation cost**  
(additional to package price)

**1H15M**  
**Two flights**  
**27-34 min from hotel**
