

NC HOSA Virtual Conference Plan – Notice to Advisors 4.20.2020

**\*\*Please read carefully for important information to share with your students who are competing in virtual SLC\*\***

Round one testing to determine the winners in the 39 events with testing listed in the table below. Tests may be taken from cell phones, tablets, computers, etc. The tests are open book for all, timed, and must be completed in one sitting. **Advisors will receive a list of login information for students testing. Advisors will be responsible for getting login information to students. Students will need login information to access testing, but proctors are not required.** The login process is what is used for Regional Testing in the fall of each year. *Issues with testing should be reported to NC HOSA at 828-595-3846 from 9am – 9pm during the testing week. The phone accepts text messages as well.*

**Online testing April 27, 2020 – May 1, 2020. Testing will end at 5 pm on May 1 regardless of the date/time seen in the system.**

### Test Taking Instructions to Participants:

- Read each question carefully.
- Make sure you select an answer for every question.
- Be mindful of the timer and give yourself enough time to check your work.
- Once you begin the test, do not navigate away from the test page for any reason. If you do, you may not be able to complete the test.

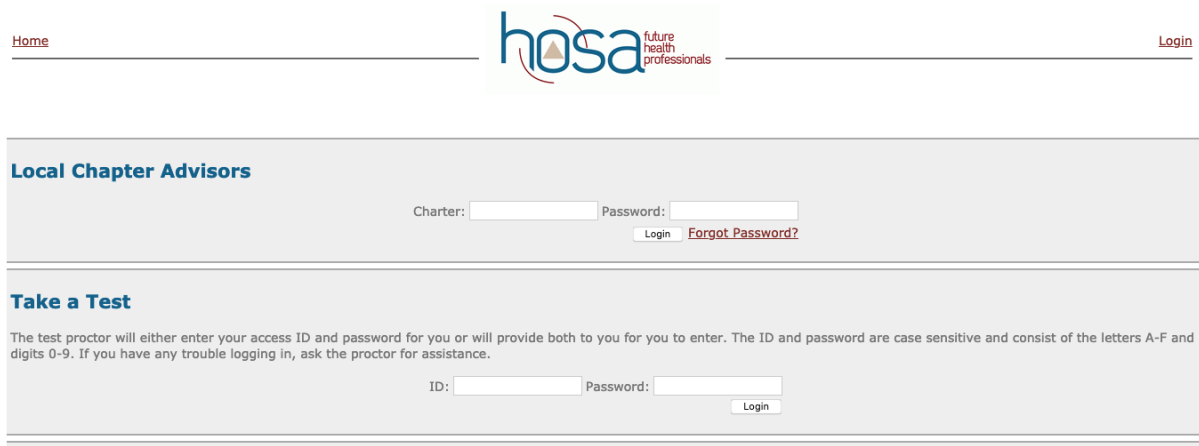

### Test Login Information to Participants:

Website: <https://apps.hosa.org/hosaconf/>

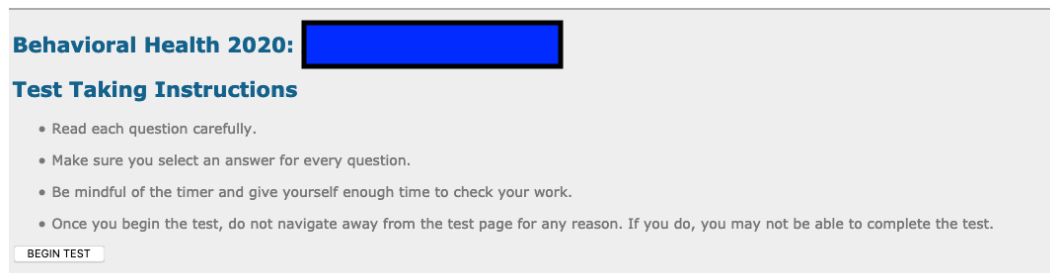

Click on “Take My Test” (see picture below)

Login under “Take a Test” (see picture below) - your ID and Password will be sent to you by your advisor.

Once you login you will see instructions and the button to click “begin test”

NC HOSA will utilize what has been uploaded in Tallo for the following events (rating sheets have been modified):

1. Clinical Specialty
2. Community Awareness
3. Medical Innovation
4. Health Career Photography
5. Health Education
6. Healthy Lifestyle
7. Job Seeking Skills
8. Public Service Announcement
9. Researched Persuasive Writing and Speaking

NC HOSA will utilize Zoom for judging Public Health. Altering requirements for all team member participation in case there are members who cannot join the zoom judging call.
