How do I identify an online proctor for the online testing?

Let's start with some tips for testing first!

1. Please remember HOSA advisors should not be online proctors. Select someone else to help you out.
2. Students testing in the same event should all test on the same day for test security and fairness to all in the same event.
3. All team members for team events should test at the same time.

Next page for instructions to identify proctors.
