

Preface

The document is one of several publications a North Carolina HOSA leader should have in his/her professional library. Other publications which contain organizational information include the International HOSA Handbook; HOSA, Inc. Bylaws; NC HOSA Bylaws; NC HOSA, Inc. Bylaws; and NC HOSA Advisor Handbook.

The NC HOSA Policies and Procedures Manual was adapted from National documents and provides state leaders with a better understanding of how the organization operates.

The NC HOSA Board of Directors maintains the Bylaws and makes the necessary changes from time to time in the Policies and Procedures Manual. Any suggestions to improve these policies and procedures should be directed to the Chair of the NC HOSA Board of Directors or through the Executive Director.

Approved in 1998 by the following Board members:
