

President-Elect Commitment Statement of Understanding

In addition to the roles on the North Carolina HOSA State Executive Council that demand a 12-month commitment (Vice President, Secretary, Historian, and Postsecondary/Collegiate Vice President,) the role of President-Elect demands a 24-month (two-year) commitment to serving North Carolina HOSA. In the first year, the individual would serve North Carolina HOSA as President-Elect, learning and understanding the nature of the role in order to best serve the State Association, and then serve, in the second year, as State President for North Carolina HOSA.

Please indicate below if you would like to be considered for the position of President-Elect during the application and selection process. If you indicate that you would like to be considered for the role, and are selected for the role, you acknowledge that you are bound to a commitment in serving NC HOSA for 24-months, as opposed to a 12-month long period, will serve your entire term of office, and fulfill and complete all responsibilities, obligations, and assignments received as President-Elect and President of North Carolina HOSA. **Your terms would run consecutively from May 1st, 2025 - April 30th, 2027.**
